

Visit CNM's new headquarters – the House of Brazilian Municipalities

And get to know the all-digital space of
the Museum of Municipalism

MUSEU DO
MUNICIPALISMO

The National Confederation of Municipalities (CNM) is the largest organization representing local governments in Brazil with over 5.100 affiliate municipalities and an extensive network of associate regional organizations throughout the country.

During the 8th World Water Forum, local governments all over the world will be able to use CNM facilities and get to know more about the Municipal Movement in Brazil.

For additional information, please contact CNM by the e-mail internacional@cnm.org.br.
